Report on the Use of Capacity Enhancement Grant
2024/2025 School Year

Area	Descriptions & Objectives	Evaluation Results	Budget Amount ($)	Actual Expenses ($)
Teaching Assistant for Learning & Teaching	**1. Curriculum Support and Resource Preparation** • Assisted teachers in preparing learning resources and STEAM-related materials that aligned with school curriculum. **2. Enhancement of STEAM Education** • Facilitated the delivery of afterschool STEAM classes in the Computer and InnoTech Rooms. **3. Event and Program Support** • Provided assistance in the planning and execution of Life-wide Learning Day, Fun Day and Post-Exam Activities. **4. E-Learning and Technical Support** • Supported the implementation of the QEF initiative: Provision of Mobile Computer Devices and Internet Services for students.	• Developed worksheets, and reading materials that were effectively used in classroom activities and self-directed learning sessions. All relevant subject panels acknowledged the Teaching Assistant's valuable support in enhancing learning and teaching across disciplines. • These classes significantly enriched students' learning experiences and sparked their interest in further exploration of science and technology. • The Teaching Assistant's support was instrumental in coordinating logistics, preparing materials, and facilitating student activities. His involvement significantly contributed to smooth and engaging school-wide events. • Ensured mobile devices and e-learning tools were available and technically supported during school functions throughout the year.	577,176.00	236,754.36
